	Beautiful, soft natured females. All very polite and sensible in the yards (some so quiet, they were in the way most of the time!). Solely handled by a mature aged gentleman with ease. Brought up from the back yards by said gentleman without any hassles, and were sensible on the scales. These are really lovely cattle that could be handled by a stockman of any age or experience.

Assessor Comments	Opportunity to secure some beautiful natured, pretty young breeders. All doing an exceptional job with their bright eyed, healthy Riga Angus poddies. Have only been on short, dry, basic pastures up until the last 3 weeks when they've started getting some silage. Heifers are soft faced, easy doing, natural mothers putting everything in to their calves whilst maintaining a healthy 2 score condition. Originally planned on retaining, hence the Bull was put back in at the start of the month (and will remain with them until delivery) - given this, the vendor is happy to lend the bull to the successful purchaser if they reside within 150kms.
