Exemplary temperament.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: An outstanding line of Team Te Mania PTIC Angus cows due to commence calving mid-August. They are EU accredited, ACR recorded, and are part of the Team Te Mania progeny test group. These proven breeders are only being offered due to the unprecedented seasonal conditions offering a unique opportunity for someone wanting to upgrade or start a herd. The temperament of these cattle is a real standout, all being assessed as docile/ quiet natured cattle. Full individual EBVs are attached to this assessment - these cows have an average IMF EBV of 3.24 and are in calf to TE MANIA TINTO T997 (IMF EBV of +5.7 which is top 3% of the breed). They are bred to produce progeny for the top-end feedlots, with the steers sought after every year, achieving high growth & marbling. These cows would suit the most discerning Angus breeder and reflect years of dedication in breeding Angus cattle. Please note; vendor also has another line of 36 younger cows in this sale.
