Assessor Comments	A rare opportunity to purchase some big first cross ewes with Dorset lambs at foot. 187 Ewes with 212 lambs. Ewes are being trail fed barley every second day and are in very healthy condition. This is the last of their sheep and they have decided to sell the lot due to the season. There is the odd ewe that hasn't got a lamb however the whole lot is to be sold. There is a small possibility that a few ewes are yet to lamb however vendor has marked the lambs as he was comfortable that they had all lambed. Ewes are 4 to 6 year old however there may be the very odd 7 year old.
