Very Good	70%	Light	20%												
Assessor Comments	SIL 1st Cross Ewes, March/April 2024 drop, October shorn. Bred in the renowned Methul district. Ewes are scanned in lamb at 142% to Hillside W/S and Mt Beckom P/D rams. These ewes are exceptionally well-bred, true to type, and exhibit excellent body length. They are in great condition and typically sold to a repeat customer each year. However, due to dry conditions, this presents an opportunity for buyers to acquire a very good line of SIL vendor-bred ewes.														
Assessor	Jaiden Burke (Level 2 Accredited)
