Assessor Comments	Heatherlie Pastoral are pleased to present 150 SIL ewes. Showcasing pure Mumblebone blood, Heatherlie have continuously purchased top end rams with a focus on fertility, fat and growth. SIL to a charollais/whitesuffolk x rams these ewes scanned up at 97% in lamb across the entire mob of 300 ewes. Due to restricted space the vendor only had the ability to wet and dry these ewes but the scanners comments were that there are a large number of twins. This is a regretful sale for the vendor.
