Assessor Comments	A line of young ewes that will show a return in the not too distant future, SIL to Composite Rams at 133%, these medium to large frame sheep will produce quality lambs to target the domestic and export markets. Ewes were bred by the vendor and are only being sold due to the continuing tough season in Victoria. Vendor will sale crutch any dirty ewes before delivery. **Please do your due diligence before purchasing these sheep, as they are in the later stages of pregnancy, buyer must be prepared to properly manage the trucking. Any ewes not fit to load will be taken out before delivery but when assessed on 16/5/25 very few ewes were showing signs of bagging up and looked fit to travel with necessary animal husbandry practices in place. Delivery window 21-24th of May**
