| Assessor Comments         | Acc Petaren, 220 3yo Merino ewes SIL to Merino to start lambing in June. At 56kg at assessment This top draft, which represents 60% of the age Drop of ewes, I selected for Frame Height,Width and condition. The next line under them (110) have good frame still but not quite the condition. These are a meaty strong score 2 condition with some good doing 3 score ewes with in them. The line will be good future merino ewes that have the ability to breed good lambs. ## The second line is available in the same auction. |                |      |               |  |           |      |       |      |
