Assessor Comments	Acc Petaren, 110 3yo Merino ewes SIL to Merino to start lambing in June. Ave 50kg at assessing weight, these ewes still have frame but lesser condition than the top line. These ewes are a good medium frame with larger frames amongst them. There was a 3rd draft also taken off the tail to create a neat line of seconds. Having this line also available can make a nice line of 3yo ewes. ## The Top line is available in the same auction.
