These ewes are a credit to the vendor, presenting in magnificent order for what the season has offered. These young SIL ewes are a blend of vendor bred and bought in dispersal ewes of the same style and bloodline, ewes are classed in breeders. 100% SIL to the Baderloo poll merino rams for a Jul/Aug lambing. These ewes have had a full crutch and ready to drop into a paddock, pls note some photos were taken prior to crutching.
