| Assessor Comments             | Quality line of High Grade Brahman Weaner Heifers for Sale. No keeper Heifers have been kept out of this draft, so you are getting the lead of the Weaner Heifers. A small percentage of these Heifers have skin lesions on them (ie ringworm scars). They have a good reputation for making quality breeders, backgrounding for live export and to grass fatteners in Central Qld. They have been weaned over the last two weeks and have now been through the yards three times, however have not been tailed outside. Vendors have consistently used Elrose Grey Brahman Bulls for the past 10 years. A percentage of these Heifers will need dehorning, as per assessment. Vendor has pre-treated them to allow for tick clearance, if required. Cattle will be weighed at your choice of one three weigh points Cloncurry, Richmond or Charters Towers. Vendor will also Clear the dip, if required. 4 Decks @ 36. |     |                          |     |                             |      |
