Assessor Comments	30hd of Very Good Quality, No.4 Steers. These steers were exceptionally easy to manage on the day. They are well sort after for their Doing ability and Quality. They are by Very Good Quality, Rosedale stud Bulls and out of a Quality line of Large frame, Station bred Santa-Gertrudis & Santa-Gertrudis/Droughtmaster/Shorthorn breeders. 2hd showing old Ringworm markings. Overall they are a very good, well bred, young steer that will do well on grass or grain and would be suited to a feeder operation for a future feedlot order or to grow out to a Bullock. Vendor also has another lot of 96 steers in todays sale.
