Heifers worked well through the race & crush with the odd heifer stirring up while being preg tested. Heifers do appear to be fast & flighty in the yards when pressure is applied.

Assessor Comments

Buyers, here presents an opportunity to purchase a great line of good quality Santa/ Santa cross Droughtmaster heifers. Heifers stand on great bone with plenty of muscling. The heifers are noted growers and breeders and would be ideal to grow out to heavier domestic or export feeder weights or retain as future breeders to join to the bulls of choice.
