Assessor Comments	Buyers, this is a top quality line of young well bred WEANED EU Angus steers that are average 279kg. This line of steers have tremendous softness with great length of body, showing good volume and thickness with bone. These steers have great depth of flank. Steers have very good weight for age only being 7 to 8 months old. Steers are out of a medium to large frame Angus cows by good quality stud Angus sires. These steers are extremely quiet to handle both in yards and paddock. Creagh Cattle Co have a great reputation for performance on grain and grass. Steers are grass only eligible & antibiotic free. Vendor has other lines in same sale.
