| Handled With           | Suitable for all. Weaners have been educated and were a pleasure to work with. Vendors handled cattle with ease when walking the cattle out with dogs after the assessment and weaners dropped their head instantly and it was neat to watch. Easy cattle to work with in and outside the yards.<br>Bikes , Dogs , Horses                                                                                                                                             |                                           |                                           |

| Assessor Comments      | Good quality Composite x Brahman flat back heifers. Nice line of xbred backgrounding heifers averaging 334kgs at assessment. Vendor mouthed all being milk. heifers were a pleasure to handle being well educated. Heifers are suitable backgrounders gaining weight again and moving forwards after the slight check recently in the area from buffalo fly and have been treated regularly. Vendor has 2 other lots in todays sale that makes up a perfect b-double. |                                           |                                           |
