	Suitable for all. Weaners have been educated and were a pleasure to work with. Vendors handled cattle with ease when walking the cattle out with dogs after the assessment and weaners dropped their head instantly and it was neat to watch.		

Handled With	Easy cattle to work with In and outside the yards. Bikes , Dogs , Horses
Notable Traits	Traits 15 Head Composite
Assessor Comments	Good quality Composite flat back steers. Nice line of xbred backgrounding steers averaging 315kgs at assessment. Vendor mouthed all being milk. Steers were a pleasure to handle being well educated. Steers are suitable backgrounders gaining weight again and moving forwards after the slight check recently in the area from buffalo fly and have been treated regularly. Vendor has 2 other lots in todays sale that makes up a perfect b-double.
