	Extremely quiet Heifers that went through assessment very well			
Handled With	Bikes , On foot , Vehicles			

Assessor Comments	Buyers presented are 19 Angus heifer Weaners that have been Yard weaned in March. These Heifers have had a very good start and will continue to go forward given the opportunity. Heifers are out of medium to large framed cows that are extremely quiet, any animal that is stirry is culled. Patawalla Blood bulls used. Vendor bred Heifers that are quiet. 1 heifer has white on Cheeks and 2 Heifers have old wart scaring, considered not detrimental.
