Assessor Comments	Very nice line of Poll Hereford steers presenting in store condition. Out of good med to large frame cows these weaners, given the opportunity, should continue to grow and do, small tail removed prior to assessment. Have been well weaned, nice and quiet in yards while being handled. Ideal for backgrounding or to carry through to kill weights. They are a nice line of steers displaying typical breed traits. Note Angus weaned steers same sale, same vendor.
