Assessor Comments	Phil & Gwen Lavis offer 72 one mark Angus Heifers. Great opportunity to purchase a very well bred line of Dunoon blood weaned heifers. These heifers have had a tough start with the seasonal conditions, but given the right opportunity they have the breeding to perform very well. Aug/Sept 24 drop. Heifers that would suit a commercial Angus breeding operation or a trade to the feedlot or supermarket. Vendor has another line of 112 heifers in this same sale.
