Assessor Comments	An impeccably bred line of Angus heifers. Kilkenny Pastoral Company have invested heavily in top end genetics from Ardrossan with a strong focus on doing ability, temperament, growth and I.M.F. They were weaned mid April and have been

running on short improved pasture supplemented with quality silage and hay. Recent health treatments include Eprinex and a 5 in 1 booster. This represents an opportunity to secure Angus genetics from the top shelf! They come with my highest recommendation!
