Assessor Comments	Buyers, on offer 15 quality proven Angus cows that have just had their calves weaned off them. They are back in calf to Rocking Chair Santa RCR21S22 and are due to calve within a three month period. These cows come from a herd that tested 94.5% for 2025, having never missed a calf before and are managed under performance pressure. They are only being sold to make room for further stud expansion. Buyers, a great line of PTIC Angus cows that have a proven track record of performance and are well worth your consideration.
