Assessor Comments	A quality line of young females coming from a strong line of Hereford breeding in the back ground and using top Angus genetics from booramooka and coolie Angus studs. These Cows are quality females with good bone and a lot of weight from 500 to 770kg ave 608 kg I Highly recommend these to take on for breeders.They handle very well in the yards as they are very quiet cattle . NOTE . two cows have slight pink eye scar . NOTE . 5 Red baldy calves in the consignment. NOTE. 1 cow one year older
