Assessor Comments	A very reluctant sale due to a cessation of lease country a rare opportunity presents itself. These young heifers are vendor bred. Please note the tight 7 week joining and have been vet pregnancy tested on (second round)19/05/23. These are roomy ,deep sided young heifers,safely in calf to Millah Murrah Blood LBW Angus Sires. Were destined as keeper replacement heifers. See Sires Joining in Comments.Commence Calving 08 July 2025 for 7 weeks. Very good types, an odd light pink eye scar was observed. Good in the feet and udders.Observed one Heifer white in front of navel.
