Assessor Comments	A very reluctant sale due to a cessation of lease country a rare opportunity presents itself. These young cows were purchased from the Barton Family complete dispersal out of Adelong NSW. They have weaned a terrific drop of calves. Please note the tight 7 week joining and have been vet pregnancy tested on (second round)19/05/23. These are roomy ,deep sided young cows,safely in calf to Millah Murrah Blood Angus Sires. See Sires Joining in Comments.Commence Calving 08 July 2025 for 7 weeks. Very good types an odd light pink eye scar was observed. Good cows in the feet and udders.
