Assessor Comments	27 x 27 Angus heifers with their first calf at foot, an excellent opportunity to secure some quality young breeders. Heifers are sired by Adameluca Angus bulls and the calves at foot are sired by Barwidgee Angus bulls. The vendor has been selecting on temperament for years and that really shines through in these cattle with all the heifers being easy to handle both in the paddock and in the yards. calves have been marked and given their first 7 in 1 vaccine dose and the cows have been drenched so they are just about ready to turn out. Very neat line of young cattle with plenty of opportunity for potential buyers.
