Temperament not assessed in

	Slightly Stirry: 28 head	Slightly Stirry: 28 head	Paddock
Handled With	Cattle handled well in a good set up. The few heifers that stirred up in the crush soon settled once back in the mob. Bikes , Vehicles		
Notable Traits	Traits 4 Head Old scar eye 8 Head White on naval or fore udder		
Assessor Comments	A great opportunity to buy PTIC EU Angus heifers from the Glencoe Farm Trust. These TeMania blood heifers show plenty of depth of body and chest width. These heifers have plenty of breeding behind them as the vendor has spared no expense on genetics. These heifers would normally be retained, but due to ongoing dry conditions are being offered to the market. They present in store condition and will thrive once shown a paddock full of grass.		
Assessor	David Patterson (Level 2 Accredited)		
Delivery Period	23/05/2025 to 30/05/2025 (8 days)
