Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	A top quality line of Poll Dorset Merino X lambs that have really gone ahead in leaps and bounds in the past couple of weeks. All the work is done with these lambs having been weaned and grain trained and ready to go. These lambs have their foot on the till with a good number of lambs past or pushing kil weights already. The eldest lamb was born on 21/12/24 through to the end of Jan '25. Lambs have an EID tag. Lambs have very good shape and plenty of frame to pack on plenty of weight if given the opportunity. Out of large frame well bred merino ewes and sired by Marocara Poll Dorset rams. At assessment lambs had a weight range of 35-61kg to avg 45.9kg. Top quality lambs you can buy with confidence.
