Assessor Comments	141 Young First X Wethers. Lambs come from large framed, plain bodied Broken Hill bred merino Ewes. Sired by Cadell blood B/L rams. Averaged 46kg at assessment. These wethers will continue to grow into top kill lambs, given half a chance, with depth and bone to carry their long bodies. Excellent quality, solid wethers from a renowned flock. These lambs are the tops of their drop. Ideal lambs to finish to heavy weights in the late winter and spring. NB: 106 Sisters in same sale , would make up 2 decks. Highly recommended by Assessor's.
