Assessor Comments	Buyers, to be offered for sale A/C Wellagalong Pastoral are 680 Merino Wether Lambs. Vendor bred lambs sired by Outback MPM and Mumblebone Merino rams and are out of Bundilla Blood Merino ewes. These lambs were weighed and assessed after an overnight curfew of 18 hours off feed and water. Averaging 27.5Kg at assessment. A tail has been removed from the mob. Lambs average 2.5 inches in wool length, lambs displaying white and bright fleeces. Lambs are grain trained. Plenty of time in these lambs to do the full job. They are Spring drop, September/October 2024. Very odd lambs with scur. These lambs are normally retained and fattened into trade and export weights but due to the dry Autumn, they are being offered as a neat 6 deck lot of store wether lambs. A great opportunity to secure a good line of vendor bred, well bred, Merino Wether lambs that have time on their side, are grain trained and ready to punch forward.
