| Assessor Comments                     | On offer is 230 Sept/Oct drop 2nd X lambs. They have been imprinted onto grain through oats & barley in lick feeders. These lambs are showing frame and should really bounce ahead on grain or winter crop. Most of these lambs should reach trade weights if given the right nutrition. Young lambs to take forward with strengthening winter markets ahead. There is the odd lamb with old fly strike scaring. I did also notice approx 10% with slight dag. Please note the vendor is offering another 180 lambs in this sale. |                       |           |             |
