Other JD Management	Have been Gudair Vaccinating Ewes on the Property for 10 Years

Quality Grades

Very Good	100%
-----------	------

Assessor Comments	Merino Wether Lambs with plenty of stretch and frame. These lambs cut a very handy fleece at shearing with a flock average of 18.5 micron. These Wether Lambs have been bred to handle high rainfall and will fill the bales when fully grown. Ideal to take on as future wool growers or fatten to kill for lucrative Winter markets. Dirty lambs will be cleaned before delivery
