Assessor Comments 96hd of Very Good Quality, No.4 Steers. These steers were exceptionally easy to manage on the day. They are well sort after for their Doing ability and Quality. They are by Very Good Quality, Rosevale stud Bulls and out of a Quality line of Large frame, Station bred Santa-Gertrudis & Santa-Gertrudis/Droughtmaster/Shorthorn breeders. 2 Steers White markings on their heads & 1 of these also has some whit patches on his ribs and flank. 2hd showing old Ringworm patches. Overall they are a very good, well bred, young steer that will do well on grass or grain and would be suited to a feeder operation to grow out to a Bullock.
