Handled With	Aerial (Helicopters, gyro's and planes) , Bikes														
Assessor Comments	(80) A VERY GOOD QUALITY 2 DECK LINE OF GRASS-FED ELIGIBLE ANGUS AND ANGUS SANTA CROSS WEANER HEIFERS. Sired by quality registered Angus bulls from Hazeldean, Lawson and Carabar studs and out of good temperament Angus and Santa Cross cows. Present in forward store condition to weigh high 356kg low 248kg to avg 294kg after a couple of days off mum. Weaned onto quality buffel hay and are settling down nicely. These heifers have a great reputation and would suit a breeder, backgrounding or fattening program. They stand on good bone with medium to large frame. Soft easy doing black heifers that would look good in the front paddock.
