Temperament

Yards	Crush	Paddock
Quiet: 15 head Slightly Stirry: 6 head	Quiet: 13 head Slightly Stirry: 8 head	Temperament not assessed in Paddock

	The slightly stirry steers were unsettled in the race/crush & ran away from the crush when released but did settle once in the mob. Steers behaved very well for 1st time off the cow & handled through race & crush. Would expect to be to good handle at delivery after being put through yards twice a day until delivery,

Assessor Comments	Buyers an opportunity to buy very good quality weaned steers that are ideal to put on oats & take through to heavy feeder weights, could also be grown out to yearling bullocks. These steers have great weight for age & showed great temperament for the first time being handled off mum. Vendor has 26 heifers same sale.
