Assessor Comments	A great opportunity to purchase 60 outstanding EU Vendor Bred Hereford Steers off Springfield Pastoral. These steers on offer are the lead draft of their 2024 Autumn drop steers and are 13-14 mths. Springfield for many years now has purchased leading sires off the respective Mawarra & Sugarloaf Hereford Studs putting a real emphasis on the traits such as Growth, Positive Rib&Rumb and +IMF. Absolutely guarantee no expenses have been spared in the genetics of this Hereford Herd with numerous Bulls been used throughout there breeding program costing upwards of $20,000. They are bred from large to very large framed Hereford cows and present in ideal store condition that are only on offer due to prevailing dry seasonal conditions. These steers would certainly suit any grass and or grain fed program. They were dehorned & marked using pain relief. These steers are Greenhams Never Ever Accredited and PCAS Accredited. Steers that are bred to perform and will not disappoint!
