Assessor Comments	Graham Aldridge of Mansfield is offering a small draft of EU Acc Poll Hereford Heifers that were deemed surplus to their operation. No expenses have been spared when purchasing sires from the well renown Injemira & Wirruna Poll Hereford Studs. These animals represent the classed-out females with a tail of approximately 25% being removed. Ideal animals to take on as a fattening/growing article into the spring or potentially a breeding female pending their growth & type. Please note; Vendor has another small lot of Steers also available in the same sale.
