These heifers were responsive to pressure and moved freely with pressure applied. It is evident they haven't received ample handling as calves. They were settled in a bigger yard for the media (refer video) and one heifer was removed from the line based on temperament.

Handled With	Bikes , Vehicles
Notable Traits	Traits 2 Head Eye blemish due to old pink eye scarring - not detrimental.
Assessor Comments	32 head one mark Speckle Park heifers purchased direct the breeder out of Mortlake Vic weaner sale. They are NSM and being sold as guaranteed empty as there are no bulls on the property and they have not had a chance with a bull. These heifers have performed well since arriving and have been running on a lease block that is starting to show the signs of the season. These heifers were purchased in as a trade and have been able to grow and mature are now being offered for sale. They offer immediate compensatory weight gains with a change in nutrition and would be ideal to background or for feedlot entry. 100% antibiotic free and grass fed only. Please note vendor is offering other heifers in today's sale on a nearby property.
