Assessor Comments	A wonderful opportunity to secure heifers that have been through a very hard summer and are just now are on the do and will fly on good feed. They have been very well handled and are very quiet. Grass fed only - no antibiotics - never ever accredited. This is a wonderful opportunity for those in the position to put these heifers on good feed. They have the frame but not the condition, very healthy and strong, all the hard work has been done so take them home and turn them out and watch them grow.
