Handled With	Free moving cows that would be no trouble to experienced stock people. Cows can get agitated quickly but are a pleasure to draft they'll look for a gate. Will travel through race and weigh box with ease. Bikes , Dogs , Horses
Assessor Comments	*Herd Dispersal* Black coated cows that are fresh and shiny in the coat. Cows have been run in steep grass country and all have produced a weaner each yeah. Some cows will have weaners taken off at assessment. Good cows to handle through yards although some cows can get agitated if isolated but if let travel are very good to draft. Some cows uneasy after being mouthed and weighed. Joined to good quality Segenhoe, Waverley and Urban Angus Bulls. 1 cow ith turned eye and blue spot 2 cows with a hip off. Vendor has 4 other lots in same sale.
