Assessor Comments	A very nice consignment of Poll Hereford cows & calves. Cows bred from Stanford Poll Hereford sires over several years with some very nice Kidman blood Poll Hereford calves at foot. Predominantly cows with their first and second calves at foot with only three older cows on their third calf. A very correct mob of cows that will stand up to any inspection with the vast majority of their productive lives still well ahead of them. Classed breeders only being sold due to a winding up of the autumn calving section of the herd. Would fit into just about any white-faced operation, well worth a close look.
