Assessor Comments	A very reluctant sale due to a cessation of lease country a rare opportunity presents itself. These mixed age cows are purchased and vendor bred. They have weaned a terrific drop of calves. Please note the age brake up Majority are rising 5-7 years. Please note the tight 7 week joining and have been vet pregnancy tested on (second round)27/05/23. These are medium to large frame cows,safely in calf to Millah Murrah Blood Angus Sires. See Sires Joining in Comments.Commence Calving 08 July 2025 for 7 weeks. Very good types an odd light pink eye scar was observed. Good cows in the feet and udders.
