Assessor Comments	Heifers with 1st CAF Presenting in strong store condition, calves are marked = (4x Hfr & 3 x Str). Purchased as PTIC off A+ in November 2024 from Gundagai & all calved down with ease, unassisted. Vendor selling due to the tough seasonal conditions in the Oberne valley. Heifers are doing a great job on their calves given the conditions. With recent local rains & a great season in the north this line should be a real profitable purchase given there breeding & the way the market is heading.
