Assessor Comments	A/c Bunroy Station offer 14x14 2nd calving Friesian Angus X cows & calves. Cows are 3.5 years old & are in light store condition averaging 511kg curfewed due to tough seasonal conditions. Cows are doing a great job on their Hazeldean blood calves averaging 250kg curfewed. Cows have been rejoined to a Hazeldean blood bull since the 18th of April and will continue to run together until delivery. These units are very quiet & were a pleasure to handle.
