Assessor Comments

Very quiet line of Highlands Angus cows and calves. Offering 2019 Drop cows with their 5th calf at foot, these calves are March/April/May drop and are sired by outstanding Prime Angus bulls. Recommended for their temperament, with any level of experience able to handle them. The light end of the cows are showing a plain body type coming out of a long dry spell, but still doing a fantastic job of their calves considering. 2 cows are smaller in frame-see photos and video. Buyers please note 2 cows had old pink eye scars in one eye only.
