Assessor Comments	Offering 500 SIL Merino ewes. The ewes averaged 56.8kg live at assessment after an overnight curfew. The ewes have been mated to Poll Dorset rams and are mainly purchased in medium to large frame ewes. These ewes are mainly 2018 drop with a few older ewes amongst them but generally were sound in the mouth with only 1 ewe found to be broken and 28% assessed as worn evenly. These ewes are shorn, backlined and ready to lamb down from the end of July. Don't miss this opportunity to take advantage of a great trade opportunity with older ewes ready to produce high value lambs to meet the current market. Please note there are another 573 SIL young Merino ewes from the same vendor in this sale.
