Assessor Comments	131 Good Quality, Vendor bred, weaner Males, all No.5s. 90% Grey/Blue Grey, 10% Red/Honey. 3 Males showing minimal Fly bite/Fly bite scarring. These were weaned out of different paddocks over the last 5 days. They have been backlined with IverLab Pour-on, a portion of them were backlined on the 31/5 with the remainder being backlined on the 3/6. At time of Assessment they were unbranded and have not yet gotten an nlis tag. These will be branded and tagged over the next couple of days. They would ideally be suited to a backgrounder operation to castrate for a future export order or could potentially grow out to a Slaughter weight on grass or grain. Vendor also has 1 Lot of Heifers in this Sale.
