These heifers were an absolute pleasure to handle and assess. It is a true credit to the vendor for the amount of time and effort they put into educating these cattle. This run of weaners were apart of a weaner educating school run by Tom English handling the weaners over a 3 day period. They were handled with Tom English's Precision Working Dog training techniques.

Assessor Comments	Buyers here presents an outstanding line of predominantly Simmental infused heifers. The Albany Downs cattle have a renowned reputation for their quality and overall performance both on grass & grain. Top quality genetics have been sourced for a long time from only the best studs. These heifers at a young age are showing all the desirable femine traits that will allow them to grow out to be an outstanding line of breeders. They would also be ideal heifers to background to suit either a domestic or heavy feeder market. Buyers this an exceptional line of heifers that must not be missed. Please note as mentioned above a percentage of these heifers were purchased as Weaners and Cows & Calves from the Budden Family previously from Albany Downs West. These cattle are predominantly Santa, Hereford & Angus cross. PLEASE NOTE: These heifers are only being sold due to them being surplus to requirements.
