Assessor Comments	Good even line of 162 vendor bred Droughtmaster Charbray & Santa cross steers HGP free. They are being offered as two 3 deck lots, run out the gate. Drafted as evenly as possible. Weights range from 279kgs - 388kgs to average 337.7kgs. Steers have been sired by Valera Vale, Glenlands Droughtmaster, and Lambert Charbray bulls, with the vendor taking the time to emphasise picking ideal sires for strong steer traits. Plenty of bone, depth, and body: ideal oats crop cattle or to be taken through to heavier weights. They are ready to go!
