Assessor Comments Buyers, this is a soft line of xbred VET PTE heifers that would suit all domestic feeder categories. These heifers present in good store condition averaging 362kg. Heifers show nice length of body with plenty of spring of rib. These heifers have nice softness with good depth of flank. 30 heifers were mouthed with 4 just breaking 2 tooth with the balance solid milk tooth. All heifers are vet PTE. These heifers worked well through yards and are good to handle out in paddock.
