Assessor Comments	18 vendor bred Angus x Hereford weaned steers presenting in a healthy forward store condition. Steers are 7-9 months old weighing 234-341kg to average 280.3kg full at assessment. Steers were very easy to handle throughout the yards. Steers would be ideal to put straight onto oats to grow out to the feeder market or fatten to slaughter weights. Please note vendor has another lot in the same sale.
