| Assessor Comments  | A good line of Angus steers, well- bred and easy to handle in yards. These weaners are out of Angus by Middlebrook Angus bulls, They are currently enjoying an excellent season and are in ideal condition to grow out to feedlot weights or suit a grass-fed finishing program. One steer has old pink eye scarring in one eye but doesn't affect his eyesight in anyway<br>There are 22 Angus cross steers available in the same sale |                                           |                                     |         |
